Tuition Express

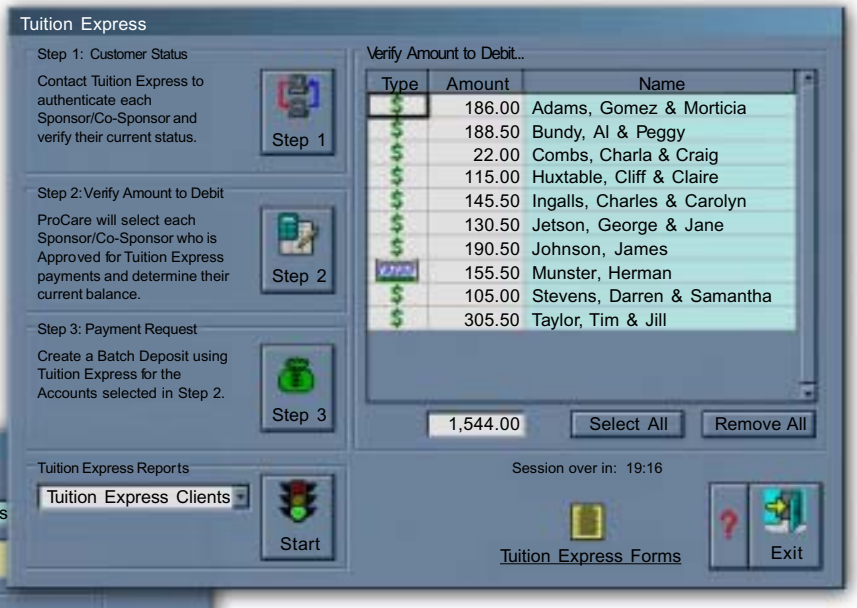
Requires
Family Accounting

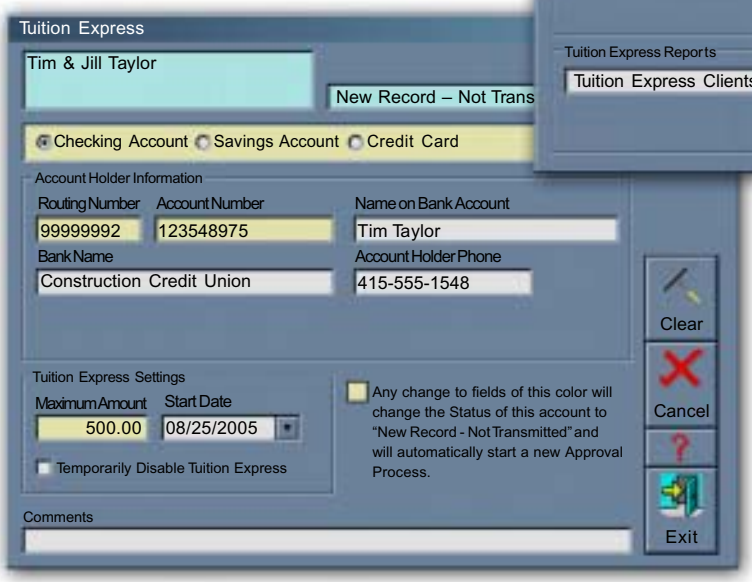
Slash bad debt and streamline collection of customer fees... It's as easy as 1-2-3!

Tuition Express' electronic funds transfer (EFT) alleviates the need to have customers present cash or checks. Customer fees are auto-deposited directly to the business' account. No hassles, no delay. Parents can review payment activity securely online. Administrators and parents love the convenience!

Features Include:

- Timely Payment Collection
- Enhanced Customer Service
- Improved Cash Flow
- Increased Efficiency & Accuracy





Reports Include:

Data Reflected in Family Accounting Reports.

Tuition Express is fully integrated with Pro*Care*. No need to work between two systems or duplicate entries.

With Tuition Express you'll have more time to focus ***on*** *your business rather than chasing* ***after*** *your business.*
