FAQs

1. What's the deadline to sign up for a sponsorship?

May 28, 2021

2. Do I need to be a Procare partner to sponsor?

No, as long as you're a business that serves the child care industry, you're welcome to apply for a sponsorship – just note that all sponsorships will be reviewed and approved at our discretion.

3. How will you get attendees to my session and/or virtual booth?

Prior to the event, we'll include information about your session and/or virtual booth in communication we send to our invitation list. On the day of the conference, we will be using a gamification model to drive attendance to your session and booth. Attendees will earn points and be entered into a drawing to win prizes at the end of the day for attending your session.

4. Can my presentation include a CTA to my product/service?

You can include a brief CTA, but it's important to note that the presentation is not a sales pitch. We will review your presentation prior to the event to ensure it's in keeping with a thought leadership approach.

5. Will you have a PowerPoint template for me to use for my presentation?

Yes, you will be given a template to use.

6. How do I pay for my sponsorship?

We'll invoice you once you've signed the sponsorship agreement.

7. Will I have time to familiarize myself with the virtual platform?

Yes, the SpotMe platform allows sponsors to explore the back-end one week prior to the event date.

8. How many representatives will I need to provide?

We recommend you have at least one representative for your virtual booth and one representative to give the presentation (if that's part of your sponsorship agreement).

9. Will sessions be recorded?

Yes, sessions will be recorded.
